

“The greatest gift you can give another is **the purity of your attention**”

- Richard Moss

# ABOUT US

Founded in 2011 by a visionary entrepreneur to offer gifting solutions to industries over and above traditional clients like Pharma and FMCG

Sole focus on introducing innovative products to the market and avoid stockpiling

Strategic investments in manufacturing units to ensure quality control and efficient delivery schedules

Handpicked staff with extensive experience across profiles of Consulting, Account Management and Operations

# WE OFFER

Innovative gifting solutions to create touch points with employees, clients and business partners

Detailed attention to TG profile to ascertain gifting utility and value

Wide range of branded and customized gift elements to drive purchase response (from consumers), reward efforts (employees) and incentivize sales (trade partners)
